

ALL SAINTS' CATHEDRAL - NAIROBI

Vacancy Announcement: **Computer Teacher**

All Saints' Cathedral, Nairobi is seeking to recruit a dedicated and experienced **Computer Teacher** to join our Primary School section. The teacher will play a critical role in teaching computer-related subjects to students according to the new curriculum in Kenya, ensuring they acquire the necessary skills and knowledge to excel in the digital age. The role also requires excellent communication, organizational skills, and a strong commitment to serving our students.

The Computer Teacher reports to the **School Principal**.

Key Responsibilities:

1. Teach students computer science-related subjects according to the new curriculum.
2. Prepare and deliver lessons that facilitate active learning and engagement.
3. Develop instructional materials such as syllabi, lesson plans, and tests.
4. Assess students' progress and provide feedback to enhance learning outcomes.
5. Create a conducive learning environment that promotes critical thinking and problem-solving.
6. Incorporate technology in teaching and learning activities.
7. Stay updated with the latest trends and developments in computer science.
8. Provide guidance and support to students to develop their computer skills.
9. Collaborate with colleagues to improve teaching practices and curriculum delivery.
10. Participate in professional development activities to enhance teaching skills.

Skills and Knowledge:

1. Proficiency in computer programming languages such as Python, Java, or HTML.
2. Familiarity with educational technology tools and software.
3. Excellent communication and interpersonal skills.
4. Ability to create engaging and interactive learning experiences.
5. Strong organizational and time management skills.
6. Knowledge of the Kenyan education system and curriculum.

Personal Attributes:

1. Passion for teaching and a commitment to student success.
2. Adaptability and flexibility to adjust teaching methods as needed.
3. Patience and empathy in working with students of diverse backgrounds.
4. Integrity and professionalism in all interactions.
5. Continuous learning mindset to keep up with advancements in the field.

Academic and Professional Qualifications

6. Diploma in Computer Science or related field.
7. Must be registered by TSC
8. 2 years previous experience teaching computer science preferred.
9. Ability to handle other learning areas such as Mathematics, Business Studies will be an added advantage
